SLEEPY RACE VISITORS AROUSSED BY STRUGGLE

ANSWER CRY FOR HELP AND CAPTURE YOUNG MAN.

TWO ARRESTS THE RESULT

Cries of "Police! Help! Police!" pierced
the early morning air today and startled
numerous speedway visitors who were
trying to catch a few hours of sleep in
the tonneau of machines parked in Ohio
street, between Illinois and Meridian
streets.

The tired passengers in one large car
standing near the alley which leads into
Ohio street sat up and rubbed their eyes.

Two Men Struggling.

"Police! Police!" came again the stac-
cato, plaintive cry of some one seemingly
in distress. Straining their eyes toward
the alley, they saw two men struggling,
one with blood running from a wound in
the head.

One of the men started to run, and the
autoists rose to the emergency. They
caught a young man who gave his name
at central police station as Paul Steiner,
811 Broadway.

Both Men Held.

When the police arrived they took
Steiner and Oliver Newland of Brooklyn.

When the police arrived they took Steiner and Oliver Newland, of Rushville, to the station. Newland charges he was the victim of a highway robbery. He is slated for loitering and Steiner is charged with loitering and assault and battery.

Newland says he met the young man early in the evening, and that between them they had a lively time. He says Steiner attacked him at the corner of the alley and slugged him. He had about five dollars when he was searched at police station.

Judge Collins discharged Newland and told him to go back to Rushville. Steiner was sent to jail under a high bond, and his case will be investigated by detectives.
